Order confirmations and Invoicing

Non-member orders: Payment must be received by Dispex in full before your order can be processed. A Dispex invoice will be issued for payment by BACs. Member orders: Your Dispex invoice will be sent after the items have been dispatched. Once the Dispex office receives confirmation of your order from Omnicell, you will receive an order confirmation email from the Marketplace. Delivery is typically within 2-3 working days from the date of the confirmation notification.
